CALL FOR MEMBERSHIP APPLICATION 2023

ABOUT NYA

The Nigerian Young Academy (NYA) is a unified platform for interaction among brilliant young researchers below the age of 45 in Nigeria who are from various research disciplines and regions. The Academy seeks to nurture outstanding and aspiring youthful academics and professionals towards improving the state of the nation. The NYA recognizes excellence among young researchers nationally and promotes the application of collective research findings for the improvement of the quality of life of the Nigerian society. Additionally, it plays a crucial role in building inspirational figures for a new generation of researchers. The Academy has her core values entrenched in integrity and excellence in research, and fostering research collaborations among young researchers nationally and internationally for the socio-economic benefit of Nigeria.

Guidelines

The call is open to all scholars working in any research-based discipline, including the social sciences, arts, humanities, education, law, sciences, medicine, engineering, etc.
